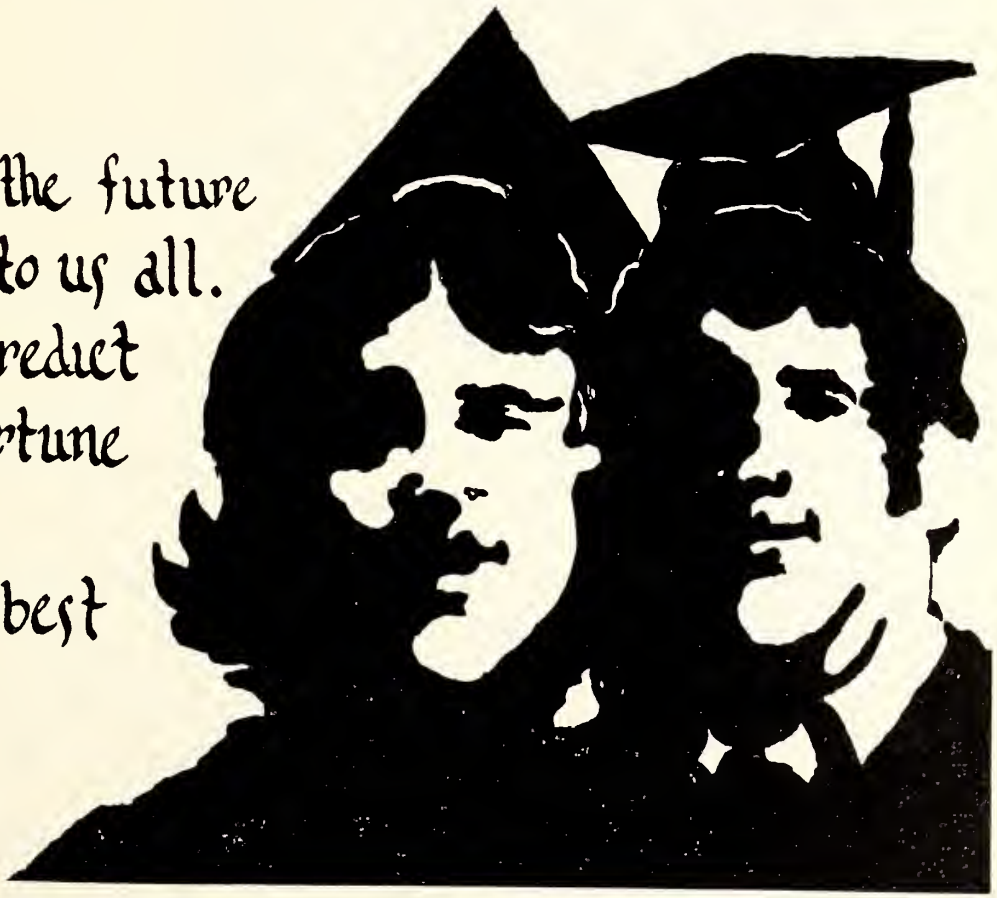
Beginnings

The year one thousand nine hundred eighty signifies the beginning of many happenings. For the Senior Class it means the commencement of an entirely new way of life ; whether at college or at work. It marks the beginning of a new decade. the inauguration of a new president, and the occurrence of the XXII Summer Olympics.

"What lies in the future is a mystery to us all. No one can predict the will of fortune as it falls... I'll go on as best I can."



"She scintillates and it's contagious! She has that happy faculty of making and sharing her appreciation of life."

Mrs. Welsh

"Mrs. D'Amario can really relate to all the different kinds of kids. She's not biased in any way and is not influenced by the social barriers that separate people."

Mary Bacon

"Alison D'Amario is not only a teacher but also a friend. Her honesty and the sensitivity she displays towards her students both inside and outside the classroom set her apart from her colleagues."

Chris Bergsten

DEDICATION

"Mrs. D. – You've got to hear this. We've finished the theme page!"

"Let's hear it!" she urged enthusiastically.

Mrs. D'Amario was never too busy to listen to our seemingly large accomplishments, which in reality were but a small part of the yearbook in its entirety.

She never discarded our ideas, however ludicrous they may have seemed. We never heard a negative comment, unless it was preceded by a compliment. When she did criticize, it was definitely well justified.

She encouraged us constantly and had an extremely enthusiatic attitude. She got as excited as we did when a group of pictures came back and we gathered around to see how they turned out. Mrs. D'Amario had a great deal of confidence in us all, even after we had almost lost the first page of the yearbook. She is an optimist in the true sense of the word.

For these reasons, we would like to dedicate the 1980 MITOBO, "Beginnings" to Mrs. Alison D'Amario who, without a doubt, deserves this honor.

CONN

"Love when you can, cry when you have to
Be who you must that's a part of the plan
Await your arrival with simple survival and
One day we'll all understand. . . ."

And Special Thanks to. . .

Besides Mrs. D'Amario, there have been other people who deserve special recognition. They were the backbone of the operation; without their help, this yearbook could not have existed.

Mr. Thomas Hussey was our financial advisor. He made sure our payments were in on time, helped with the ad drive, and most importantly, kept a close eye on our monetary situation.

Mr. Donald Doliber, the senior class advisor, provided the necessary link between the yearbook staff and the class. He gave us tremendous support.

Special thanks are in order to Mrs. Barbara Welsh for being so tolerant and understanding.

Finally, we would like to thank our friends for helping to do such tasks as typing and alphabetizing senior profiles, providing artwork, and most of all, contributing their ideas.

BEGINNINGS

(Lyrics by Chicago)

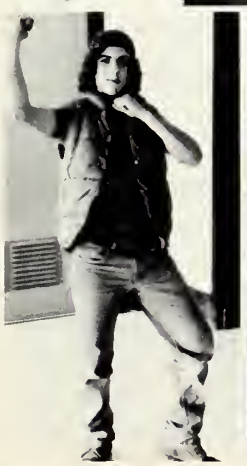
When I'm with you
It doesn't matter where we are
Or what we're doing
I'm here that's all that matters

Time passes much too quickly
When we're together laughing
I wish I could sing it to you
Oh — I wish I could sing it to you
When I kiss you
I feel a thousand different feelings
A cup of chills
All over my body

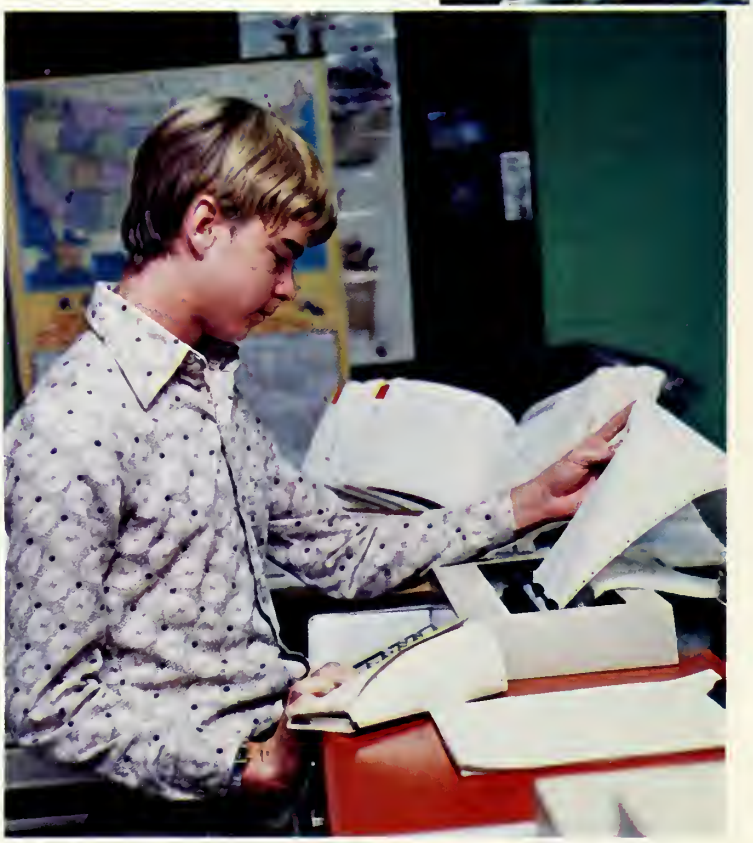
And when I feel them
I quickly try to decide which one

I try to decide which one
I try to put it into words
Try to put it into words

Mostly I'm silent — silent — silent
It's only the beginning
Of what I want to feel forever
It's only the beginning
It's only just the start
It's only the beginning. . .



GIRLS KEEP OUT
WOMEN
TOILET
WALK
BOYS
PULL



"Riding on the tapestry of all
there is to see
So many ways and oh so
many things

Rejoicing in the differences, there's no one just like me
Yet as different as we are, we're still the same."

"Smile for Me Suzanne" by Trice Burke

Looking into the sunset there's a whisperin' in the wind
She's calling you, she's calling, smile for me again
Smile for me, smile for me, Suzanne.
Going on, feeling strong, you've got to be strong
Tomorrow's a new day dawning
Lord, please let the light shine on
She's a part of our life we'll never forget
Smile for me, smile for me again.
And oh the pain of being left behind, a woman child so very fine
Letting go and sailing on down the line.
But she leaves a song upon the breeze, a smile, a touch of happy memories
That can warm your very soul
Smile for me, smile for me again
Smile for me, smile for me Suzanne.

Dear Suzie,

Cheerful, carefree, loving – HAPPY!

You're each and every one of these, you're a whole lot more. You've taught us what life is all about by being yourself and most importantly being happy . . .

. . . If we gain nothing else from this tragic incident, I hope we learn that life is a beautiful thing, but that it can end so suddenly, without warning. If we each learn to love life as you did, so full of happiness, love and joy, we will all be better persons for it.

I've finally realized that you won't be back, but that doesn't mean you will be forgotten. We all want you and surely do miss you, but most of all, Suzie, we LOVE you – and always will.

POWDER PUFF

Ah Ha!! We did it again this year, the seniors beat the junior squad, 6-0. (And we didn't even cheat!)

The senior slugger's victory was the result of many weeks of Sunday morning practices led by coaches Kevin Orkney, Keith Mitchell, Gary Pisa, Gary Cathcart and Billy Mueskes. The girls wanted to play tackle but the rules wouldn't allow it!

For the first time this year, the senior team scrimaged North Andover to a mud-slide defeat, heartbreaking 0-6 loss! The girls' spirit was not damaged by the calamity, in fact a few of them went wallowing in the mire after the game in the middle of the field. (The people at Burger King did not appreciate us!)

The seniors wanted a re-match on home turf but North Andover didn't dare; but Beverly High School did, or so we thought. They never showed up!!

Class of 1980's Powder Puff team's season ended with a 2-1 record.

1979-80 Junior-Senior Prom

"Cause I'm as free as a bird now, and this bird you'll never change"

By 8 p.m. on May 11, 1979, the Junior-Senior Prom, FREEBIRD, was well under way. Held at the Rolling Green in North Andover, the court consisted of Alyson Bolen, Betsy Brisbois, Julie Currier, Karen Lehmann, Lynn Nave, Ellen Nelson and Suzie Stallard. Chosen from this court to be queen was Ellen Nelson. The man chosen to be king, by the senior girls, was Dan Miller. The band enthralled the group with rock and roll music leading up to the climatic final song — Freebird.

Following the prom, most involved themselves with nocturnal activities. A word of caution — Do **NOT** go the Plum Island afterwards; it can turn out to be "a resting" experience.

SENIOR HALLOWEEN PARTY

(Taken from the November 7 issue of the Tri-Town Transcript, written by Julia Megley)

If you thought you saw odd creatures lurking in the shadows a week ago Monday, don't be alarmed. You were not losing your mind.

You did, in fact, see seniors on their way to the Halloween party held in the junior high cafeteria.

Seniors were slowly drawn inside by the music of the band, Eternity.

For most original costume, the judges selected Luke Dion, who came dressed as an upside-down man.

Garry Cathcart, garbed as the hunchback of Masconomet, won the prize for the scariest costume.

Award for the best group effort went to Mally Weyland, Stacy Leighton and Lauren Child who appeared as Snap, Crackle and Pop.

The last category, originally designated as the worst costume, had to be changed to "most obscene" because of the humor of the "prostitutes" portrayed by Burt Lombard, Ronnie Fudge, Mike Orfanos and Bruce Hurst.

Following the contest, those uncomfortable, hot costumes were relinquished, and dancing and music continued until the party ended.

Senior Christmas Party

The Senior Christmas Party was celebrated at the Thompson Country Club in North Andover with their favorite group, Heist, who also played at their Junior Banquet.

The festive evening began and terminated with a retrospect of Senior Frolics. The band played "Soul Man" and the nine soul brothers of Masco boogied to the familiar 'Blues Brother's' tune, recollecting their own version arranged for Frolics.

Santa arrived (Anthony Consoles) and led X-mas carols as well as brought gifts —

The senior girls left Eddie Murphy a rug cleaner and Garry Cathcart and Bill Mueskes left Tony Consoles calves and a new neck.

SENIOR FROLICS

Recipe for a New World Coming
Ingredients:
2 slightly insane directors
11 pit (cherry or peach)
120 nerve-wracking girls
60 "spaced" out guys
25 assorted skits
1 mylar spaceship
lots 'n' lots of hard work and dedication

Begin with 300 assorted seniors. Choose any four and cover them with silver paint. Now stuff the back ends of some other willing seniors with half a dozen pillows and mix them thoroughly with the above. Add a cup and a half of humor and stir in a bushel of class. Sprinkle several pinches of talent throughout and measure a tablespoon of vanilla (M & M's finished off the chocolate!!) Season carefully with symbolism. Allow John and Katie to pour into three separate molds ('cause the girls just can't make up their minds!!!) Bake 2½ hours over a high flame, with a little help from Van Halen, but don't stop to peek 'til you're sure it's done. Gather together 600 enthusiastic relatives and friends. Hold your breath while you slowly open the door and VOILA . . . A NEW WORLD COMING!

PAJAMA DAY

They came clad in their pajamas and robes and they even brought their teddy bears! They drove to the International House of Pancakes and marched in, all 24 of them!

The seniors were up to their crazy ideas, doing the typical pranks and made-up holidays that only they would dare to do. The average person would be too embarrassed; afraid to make a fool of himself. They do but don't care, enjoying the life of frolic only a senior could enjoy!

To the dismay of the only waitress in the restuarant, 24 seniors, laughing and bubbly, bounced in, requesting a table or room for all of them. They ate pancakes, waffles, eggs, bacon and sausage, cleaning all of the plates. Flashbulbs went off and stories were told. All of the participating seniors then posed in a group picture outside in the sbu-freezing weather. The day was labeled "Pajama Day", just another holiday on the senior social calendar.

Masco's Special Friends

Masco is full of different kinds of kids; smart kids, rowdie kids, quiet kids and special kids. There are seven special kids, all from the North Shore area, who attend Masco this year.

The program enables the multiply handicapped pupils to get involved with other high school students and to normalize their lives as much as possible, rather than being in a center for the multiply handicapped.

The special education program is run by Rich Gilson and Babs St. Pierre. They teach the kids such skills as basic money handling and telling time, prerequisites for paying jobs.

GEORGE WASHINGTON SLEPT HERE

(Above) Mr. Kimber (Harry Holt); Ms. Douglas (Gail Buckley); Madge (Pam Campbell); Raymond (Ted Carlson); Heater (Lynn Albee); and Katie (Emily Gaunt).

". . . the outrageous Kaufman and Hart comedy . . . was an impressive show.

The play's setting was a 200 year old farmhouse in Pennsylvania where George Washington supposedly slept. It depicted the problems of an ordinary family moving from the bustling streets of the city into the deserted fields of the country . . . George Washington definitely slept well at Masco." (taken from article written by Rhonda Mann and Shari Stephany 11/79 — Tritown Transcript)

The success of this show was due to the hard work and talent of a dedicated cast and crew. Playing "nautre's boy" was Steve Caulfield, who took over for Bruce Murphy in the early stages of the show's rehearsals due to the invasion of sickness! Annabelle, his wife, played by Carole Gaudet, had a somewhat less enthusiastic attitude towards living in the country (at least that is the way it appears at the start of the show). Eventually, even Annabelle gets used to the country life and the 17 year locusts and Newton's "rich" Uncle Stanley.

The show was under the direction of Miss Jean Jarvie, who was ably assisted by Katie Simmonds (asst. director) and Sasha Kuftinec (prompter).

Other members of the cast include: H. Holt (Mr. Kimber), P. Campbell (Madge), G. Gayton (Steve), R. Rotsko (Mr. Prescott), E. Gaunt (Katie), G. Buckley (Ms. Douglas), B. Dearborn (Clayton), C. Kelley (Rena Leslie), L. Albee (Hester), T. Carlson (Raymond), A. Centeno (Legett), T. Fuller (Tommy), K. Brookes (Sue), and L. Thompson (Miss Wilcox).

"Life, liberty, and the pursuit of the Japanese Beatle!"

(Above) Mr. Prescott (Rex Rotsko); (Below) Annabelle (Carole Gaudet) and Hester (Lynn Albee)

(Below) Actress — Miss Rena Leslie (Carol Kelley)

(Above) Madge (Pam Campbell) and Steve (Glen Gayton) look in disbelief at the house's condition.

(To the right) Annabelle (Carole Gaudet); Uncle Stalney (Steve Carlson); Mr. Kimber (Harry Holt); and Newton (Steve Caulfield).

L'il Abner has not yet taken place at the time of this, the final deadline, but the cast and crew are busy reading themselves for two performances, March 7th and 8th, 1980. It should be a great show as the comic strip characters come to life.

SPAIN 1980 February 18-25

A small group of 17 adventurous students along with two brave high school Spanish instructors spent their February vacation touring the countryside of Southern Spain, spending a great amount of time in Costa del Sol. These fearless students overcame such barriers as the money, food, public transportation, flirtatious Spanish men and women, hangovers, jet lag, and most of all the language. Among other things, the group took several excursions to such places as Mijas, Nerja, Malaga, Torremolinos, and had an unexpected overnight stay in Seville.

The trip was filled with many memories . . . Gus and John . . . Manuel . . . 12 hours at JFK (We love NY) . . . Hostal del Prado . . . bocadillos, tortillas, cerveza y vino . . .Kalua o coke . . . SQUID! . . . 8 hours to Seville? . . . "I feel that way sometimes too!" . . . all night fiestas . . . pesetas . . . Carmen and the disco . . . flamenco . . . romances . . shoe-shine boys . . . exploring the caves . . . Spanish sickness . . . and many other interesting but unmentionable happenings!

The weary students arrived to a chilly New York seven days later and found that in their absence, the US Hockey Team had captured the Gold!!

Many thanks to Senora Grenier and her sister, Olga, for their patience, caring, and understanding. It wouldn't have been possible without them!!

The 1979 Masconomet Football team performed above and beyond all expectations. Prior to the first regular season game, "Mr. North Shore" was quoted as saying — "Poor Masco. Nobody wants them." However, under new Head Coach Nick Consoles, the Chieftains were determined to ram those words back down his throat. And ram them they did, as Masco, at the end of the season, became known as, "the darlings of Mr. North Shore."

This high-spirited intense team, under the leadership of Co-Captains Tony Consoles and Kevin Orkney, snapped the 26-game losing streak by blowing past Minuteman Regional 36-0 in our first game.

In the Pentucket game, Masco knew they had to win, to reach down and find that extra something, for the Chieftains had to bring the game ball home — We just had to — and we did.

The following week was Masco's last home game of the season — for the seniors, the last home game ever. Seventeen shaved heads and a finely tuned offensive and defensive machine beat upon the "Beach Boys" giving Masco its first home game victory in three years plus a two-game winning streak. Then came Masco's finest hour against North Andover. We knew we won it even though the score read 7-2, in favor of the inferior Knights.

The season was full of memories like . . . the "Human Pig's" touchdown called back . . . "Save the Whales" . . . Theme from Rocky . . . Bill and Garry's collision . . . K.B. to G.P. to D.B. for a T.D. . . . Anthony's forearm . . . A lucky reverse by Lindy w/help from Congo

BOYS SOCCER

The Masconomet Soccer team once again continued its dynasty this 1979 season. Coach Len Emmons led his Chieftains to their eighth Cape Ann League Championship in 9 years, picking up his 100th victory in doing so.

Though the Team missed the stellar play of captain Mike Orfanos for most of the season, Masco dominated Cape Ann soccer play, compiling a 13-1 league record, their only loss coming from arch-rival Lynnfield.

Though it was a typical season record-wise for the Chieftain squad, it was much more than that for the team members. The season was marked by many highlights, some being: Coach Emmons' 100th victory vs. Lynnfield on opening day, five team members being selected to the Cape Ann All-League team, the post-game parties, and being the #1 seed in the Div. II state tourney for the second straight year. Masco was once again jinxed in post-season play, as a tragic auto accident left them without the services of their first and second string goalies. Despite a valiant performance by JV goal-tender Greg Bond, the Chieftains lost a 3-2 heartbreaker to eventual Division champion Bedford.

It was indeed a Fall of unexpected turns and occasional disappointments for the Chieftain BOOT-ers, led by a Coach who was considered one of the group by team members. It was a team that liked to have as good a time off the field as on. The 1979 season was certainly a memorable one for all involved in the soccer program.

The Masco Girls Soccer Team had a very successful season. The Varsity, coached by Jim Murphy, ended their season with an outstanding record of 17-1-0. For only its second year of existence, the girls made a great accomplishment — they again went to states.

After receiving a bye in the first round, the determined team entered the quarter-finals against a tough Foxboro squad. Foxboro, the only team to defeat Masco in regular season play, just barely squeaked past the Chieftains with a 2-1 victory in the fourth overtime. Masco did not go back losers; the girls showed everyone they meant business and weren't a team to be laughed at. Just wait until next year . . .

One of the highlights of the season was at the Mauset Invitational Tournament in Cape Cod where the girls, led by co-captains Alyson Bolen and Kim Healy, returned home with the league tournament trophy. Although the team is young, they have come a long way. Teammate Paula Stashis, for her consistent excellency on the soccer field, was chosen for a Boston Globe All-Scholastic candidate.

Co-captains for next year will be Colleen Murphy and Anne Poirier. Hopefully under their leadership the team will have another successful season. GOOD LUCK!!!

BOYS' CROSS COUNTRY

The Boys' Varsity Cross Country Team did very well this 1979 season, ending with a record of 8-5. At the beginning of the season, things looked unhopeful for these harriers due to lack of strength, but through much hard work, a powerful team did emerge, and a decent record was attained. The season was highlighted by Dan Miller achieving a 9-1 record in CAL action and also given by Mike Dussault and co-captain Glenn Davis. Dussault, who consistently placed second for Masco, should be tops in the league next year. Davis was awarded the Coaches award for his hard work and effort which he gave all season.

GIRLS CROSS COUNTRY

The perfect 10-0 record of the girls Cross Country Team of 1979 earned them the proud title of Cape Ann League Champions. (the first time in Masco's history)!!

But, "Casey's Bunnies" didn't stop there. They went on to win the CAL Open, bringing home the prized first place trophy. The girls worked hard to get to States and when they got there they gave all-placing second and earning the honor of competing in the All-State race (in which they became finalists).

It was an extremely exciting season. Not only did the Bunnies remain undefeated, one exceptionally talented runner, Tammy Perkins, did also. "Tampkins" led the pack to every victory. She even broke her own outstanding course record.

In August, Coach Casey told his bunnies, "I'm tired of being a bridesmaid — I want to be a bride."

"Our goal was to make Mr. Casey a bride, to be number one team. We reached it!"

GOLF

In 1978, the Cape Ann League athletic directors decided to change the golf season from the traditional Spring to the Fall. This change, hoping to give us better weather and a few more matches, resulted in a very long stretch of golf.

But our last match in November, we were pretty well "golfed out" by our own admission.

Despite our youth, our enthusiastic coach, Roger Lauzon, was optimistic going into the Fall season. We compiled a record of 9-6-1, good for third place in the new nine team Cape Ann League. Our record, although acceptable, did not equal par with our expectations at the onset of the season.

The future, though, can only be brighter than our optimistic outlook of last Fall, as all our lettermen this year were underclassmen.

Without a doubt, despite our slightly disappointing finish, we had a super time thanks to the great guys we had on our team. Most of all, I'd like to thank and congratulate coach Roger Lauzon for being a great coach, but also, and more importantly, for being a great guy who gains the respect of all.

VOLLEYBALL

We never thought it would be our turn to say good-bye to Masco Volleyball, but now it is. Although the team, co-captained by Lorri Lebel and Nancy Bond, didn't have a terrific season, (we finished 7-13), we had lots of laughs with a lot of good friends. The effort was there, but somehow it wasn't enough. Losing to Hamilton-Wenham in the third game was the biggest heartbreaker. In spite of the sorrow, we'll always remember the dog-at-a-fire-hydrant drill, SOTC, "Old Lady", "Lead Feet", a certain senior's broken finger, Lorri's rolling all over the court, and, of course, those laps!!

Despite what the record shows, it was a winning season.

"FRUSTRATION", that is the word that best describes the Masconomet 1979-80 Varsity Hockey Team. The team that was expected to return to the Garden again this year, suddenly suffered a breakdown during the second half of the schedule. This pushed them further and further from a State Tournament bid. One advantage the Chieftains had over other Cape Ann teams was scoring power. Co-captains Chris Cole and Bruce Hurst remained among the top three scoring leaders throughout the season, with Cole finishing first, with 40 points.

Defensively, the team was led by Capt. Luke Dion and Ken Mattson, with juniors Neil Rossman, Dana Pratt, and Chris Malone helping out. Coach Driscoll will look to veterans Gene and Jeff Limone, along with starters Brad MacArthur, Bob Langell and Steve Buell for offensive power next season.

This year's seniors wish next year's team the best of luck and a Garden berth.

INDOOR TRACK

The Winter of 1979-80 was a building season for Indoor Track at Masco. First-year Head Coach Phil Carletti did not have the vast numbers of competitors that past Masco track teams have been so fortunate to acquire. In fact, this year's squad was only twenty in number, and of those twenty there were but four senior members.

Despite this lack of depth, the team fared very respectably in their seventh season of competition in the Commonwealth Conference. Coach Carletti was able to mold his twenty individuals into a fairly strong unit, which finished with a record of 3-5, not once falling in defeat by a disgracing margin.

It was, in many respects, a season of tough luck for first-year Head Coach Phil Carletti. Some meets his team would perform like conference champions, while in the more-competitive meets, his runners often did not compete with much determination. But, overall, it was a good season for all involved in this year's Indoor Track Program.

WRESTLING

This season was the wrestling team's most successful season, compiling a 13-3 record overall. The team was 7-1 in the Cape Ann League with convincing victories over League threats North Reading and Pentucket.

The big disappointment of the season was the loss of North Andover. It was predicted to be close but the defending State and New England champs were too much.

The season was capped off with every member of the team earning a winning record. Whitney Powers, Frank Crippen, Frank Allen, Don Wood, Sandy Winde and Bill Mueskes all qualified for the States. Anthony Consoles was sure to do well this season, but a frustrating football injury set him back.

Overall, it was a very successful season.

GIRLS' BASKETBALL

For the first time in Masco's history, the 1979-80 Girls' Varsity Basketball team qualified for the State Tournament. The team had much to be proud of, after reversing last year's 5-15 record to this year's impressive and well deserved 13-8 record.

Memories . . . the ultimate . . . take to the air fellow bird mates . . . Birdwomen . . . DeClaw . . . Martha's Vineyard . . . Duck-Duck goose on the beach (at 11:30 p.m.)?! . . . Much of our success was due to the spirit and closeness among the team members. Our coach, Dave Canan, worked us to our full potential, which showed in our 5-game winning streak and victory in the Christmas Tournament held at Masco.

We came a long way; next year's team is looking forward to more wins and good times. Good Luck!

SKI TEAM

The Masconomet Ski team had to head for northern mountains in order to find some snow.

Even though the training was difficult, it was beneficial. It kept us in shape for competition. However, the boys' team had a somewhat disappointing season, despite consistently good performances by Matt Andrews and Joe Hansen.

The girls' team pushed through to a second place finish in the league, with supporting performances by Martha Bergstrom, Chris Merrill and Jenny Haseltine. Throughout the season everyone was supportive of one another.

BOYS' GYMNASTICS

After losing six seniors who made up a very important part of last year's team the boys' gymnastic team came back with a record of four wins and seven losses. It is the best record achieved in the last seven years.

The team is very thankful to Mr. Obara for helping us achieve personal and team goals.

Because the whole team will be returning next year, (with the exception of Bill Padol) we hope to increase our amount of wins to an all-time high.

GIRLS' GYMNASTICS

Although the competition was tougher than ever, the Masco Girls' Gymnastics Team leaped over its season with a 5-4 win/loss record and reached an all-time high of 112 points.

One of the reasons for the squads' success was the gaining of two spectacular freshmen this year whose all-around performance often pulled the team score into the 100's. Kim Brooks and Wendy Gobeille both qualified for state competition.

I'm glad to see that gymnastics is finally gaining interest at Masco. The girls did fantastic this year! We were really fortunate to have a new coach, MaryLee Gilbert, who deserves almost all of the credit for our great success. Her encouragement and enthusiasm pushed the team to its winning season. We hope that next year, with all the experienced underclassmen coming up and Ms. Gilbert on hand, the team will be stronger than ever.

The season started out very promising for the Masconomet Basketball team. Coach Casey felt that we had a chance to make the state tournament. A first game win over Greater Lawrence increased these hopes. But consequent at-the-wire losses to league powers North Andover and Lynnfield, followed by the quittings of three key seniors cut down many of these hopes. The rest of the season had its ups and downs. Darryl Carter's Buzzer-beating shot to beat Manchester, and a good win over Newburyport, being some of the highs; while a disappointing loss to North Reading and the dismissals of two seniors being some of the lows.

The season was highlighted by the scoring and fine all-around play of League All-Star Darryl Carter, and Captain Milt Sipp. Seniors Bill LePelley, Steve Wendel, and Captain John Moorman all had important contributions. Juniors Dave Booth and Peter Narath stepped in midway through the season and gave the team rebounding strength. Tim Provencher, Tony Fedullo, and Greg Bond all helped out after being moved up from the JV's.

Thanks Mom and Dad St. Pierre — for putting up with us and the mess!

"I see the end!!" This was her chant a few days ago and now . . . the end is here — March 6th, 1980 — our Final deadline. I never thought we would reach it. Anita St. Pierre, thanks to you — WE DID IT; we made the "biggie". Because of your hard work and dedication as the 1980 Mitobo Editor, this will be the best yearbook we could have produced.

We had a little trouble at the beginning when we almost lost the first page; PANIC; but don't worry, we found it . . . in the typing room?!

Anita, thanks for all the memories of the last 8 months. WE MADE IT!

We hope the rest of you can appreciate all the hard work that the staff put into this book — we gave a part of ourselves to you. Now you may look at it, fill it with treasured autographs, and keep it for the many years to come.

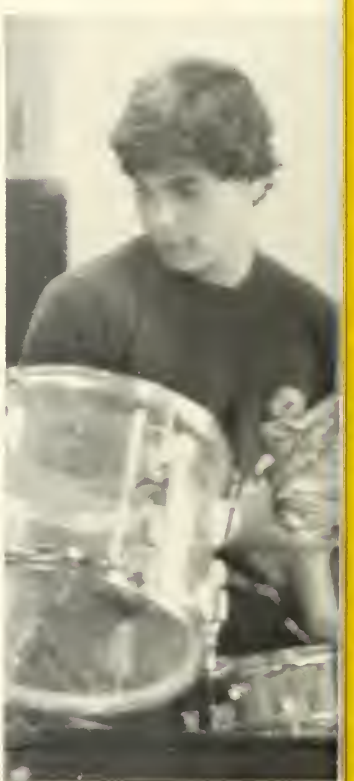
— Sasha —

Assistant Editor, Sasha Kuftinec, (INGY!), was a **major** contributor to this production of MITOBO. She devoted a great amount of time and energy to the yearbook, putting her many talents and good ideas together. Sasha gave the staff the push that we sometimes needed to keep production smooth . . . Ingy, we did it with NO ulcers! . . . No Biggie! . . . I love ya Sasha; I couldn't have done it without ya!! . . .

— Anita —

Without Randy Hopping, this MITOBO would have no pictures, or else we would have had to draw them. He worked day and night, bending to everyone's desires for pictures — even Keith's! (Just kidding, Keith!) Thanks again Randy — for not QUITTING!!

Keith Mitchell — our belove
Sports Layout Editor, real
put himself out for us. He w
"Most Dependable" ar
produced the most effecti
sports section ever! Sor
Keith, for driving you craz
(Don't say we didn't, cuz th
would be a lie!)



Ted Parsons, our Art Editor, contributed **so** much of his talent to the art section of the yearbook. He alone produced the incomparable cover design as well as the divider pages. Thanks for holding off with the ants! Ted, you did a fantastic job!

Chris Thumm, our Business Editor, encouraged the reluctant seniors to sell ads, thereby raising adequate money needed to produce the yearbook. Chris, you put out!
